WORK EXPERIENCE

Maine Behavioral Health, Rockland, ME

Nov 2015- March 2016

Mental Health Clinician

Worked as a Clinician in a Day Treatment Program in a group setting with adults with major mental illness such as schizophrenia and bipolar disorder. Tasks included working on individual goals with patients both one-on-one and in a group setting to develop skills and pro-social behaviors, writing reports, developing program modules around self-awareness and healthy lifestyle choices.

Pen Bay Medical Center- PARC Unit, Rockport, ME

May-July 2015

Clinical Social Work Internship

Conducted individual assessments, group work and family therapy in a multi-disciplinary crisis stabilization team for an intensive inpatient mental health facility, serving patients with major mental health challenges and those needing medically supervised detoxification. Coordinated with families, other social service agencies and the criminal justice system to provide effective continuity of care upon discharge.

Harbor Family Services, Rockport, ME

September 2013-May 2014

Foundation Year Social Work Internship

Developed a wellness program for 50 employees of a small social services agency. This project included quantitative and qualitative data collection, individual health counseling, group workshops, research into remediation of occupational stress on social workers, and the development of a program focusing on organizational change, nutrition, exercise, and work-life balance.

Camden Whole Health, Camden, ME

October 2010-July 2013

Marketing Developer

Developed a web presence for a holistic community health center with nine practitioners, including website development of CamdenWholeHealth.com, a Facebook page and a regular monthly e-newsletter.

Mind Body Nutrition, Camden, ME

December 2006-September 2013

Nutrition Counselor and Life Coach

Ran all aspects of a small business which included individual health counseling, group workshops, corporate workshops, public speaking, website development (MindBodyNutrition.net), social media marketing, column writing, membership development, financial management and product development. I also promoted other practitioners (above) and co-founded DestinationWellnessME.com, a 150-member organization promoting Camden, Maine nationally as a wellness destination.

ADDITIONAL INFORMATION

Between 1990 and 2000, I spent six years living overseas in France (studying abroad,) Australia (WWOOFing,) New Zealand (bicycle touring,) Japan (teaching English,) China (learning Mandarin,) and Nepal (volunteering with Tibetan refugees.) I have spent time in 20 countries and 40 states. These experiences have given me a unique international perspective on many aspects of human life, including interpersonal, socio-political, historical and cultural. I see myself and my society in a global context.

- Fluent in French, studied Japanese, Chinese, Nepali and Tibetan.
- Adept at communicating across linguistic and cultural barriers.
- Have maintained a focus on meditation and Buddhist studies for decades.
- Established lifelong practice of personal growth and holistic health.
- Renovated and developed a three-unit rental property as a single mom in Camden, ME.
- Technologically savvy, adept at both PC and Mac and quick to learn new programs.
